Notes:

A146 is a low birth weight bull with high performance ratios for weaning and yearlings. He is homozygous black, with a large scrotal that will produce very fertile daughters. He is long-bodied and upright. He is one of the four high selling bulls from the J&N production sale in 2014. For semen call Richard Kelley 256-505-8351, Tim Tartar 606-305-2289 or Multigen Reproduction Solutions 859-326-1469.
