

A Royal Affair - 2021

ABHA Sale Rules

It is the goal of this elite sale to present the best cattle that the ABHA membership has to offer to the buying public. There will be a screening/selection process to ensure the quality of the Sale entries. With that goal in mind, the ABHA Show Committee has adopted the following rules:

1. A photo of the animal's Registration Certificate, a copy of the footnotes, and a photo and brief video (10-20 seconds) of the nominated animal(s), must be submitted to screening@blackhereford.org as soon as possible, and no later than **August 1, 2021**. This is for the selection process only, and not the catalog. Consignors will be notified within one week of the acceptance or denial of their nominated animal(s).
2. All nominated cattle must be registered with the ABHA and have a permanent tattoo number in one or both ears that corresponds to the permanent ID number listed on the animal's registration certificate.
3. Once accepted, all Registration/Sale Entry Forms should be completed immediately, and payment made in full. DEADLINE FOR ENTRY AND PAYMENT IS AUGUST 15, 2021. This can be done on the ABHA Website, or emailed to the ABHA office at ernie@blackhereford.org, and credit card payment completed by phone with Ernie Dominguez at the ABHA (512-567-7840). You may also choose to mail them in if paying by check. Mailing address is:
ABHA - P.O. Box 936, Elgin, TX. 78621
4. All accepted cattle must have a high resolution, j-peg format photo to be used in the catalog. A 10 to 20 second professional quality video is also required. The deadline for catalog photos, and the videos, is August 31, 2021.
5. All cattle, including donors, that are deemed possible carriers must be tested and be clean of any known ABHA recognized genetic defects to be entered in the A Royal Affair Sale.
6. It is required that all cattle consigned to the "A Royal Affair" sale MUST be entered and exhibited in the American Royal ABHA Show. It is further required that consignors

exhibit that animal for the new owner in the ABHA Show on October 9, 2021 unless the new owner requests to show the animal themselves. Show entries are to be made directly to The American Royal. The American Royal will not release any cattle until the ABHA show has ended.

7. The non-refundable "A Royal Affair" consignment fee is \$200 per live consignment (this includes "pick" consignments), and \$100 per embryo package or right to flush consignment.

8. A 14% consignment fee will be assessed by the ABHA on the purchase price of all lots. Floored animals that do not sell will be required to pay the 14% commission based on the last bid taken by the Auctioneer.

9. It is understood that by consigning in "A Royal Affair", the consignor is entering into a contract to sell that animal. Cattle are to be withdrawn from the sale for medical reasons ONLY, to be verified by signed Veterinary letter. Consignors who withdraw cattle for any other reason will be fined \$500 per animal and be excluded from future ABHA sales for one year.
