JN Balder 743J is the top bull in the Black Hereford breed for All-Purpose Index, which means he will bring more profit to a commercial operation than any other herd sire. With a stacked pedigree that includes Lambeau, Proficient, Revolution, and Ribeye, he will help you sleep well during calving, and top the sale when you market his calves. In the Black Hereford breed, he ranks in the top 1% for API and Marbling, the top 3% for BW, MCE, and Docility, and the top 4% for CE and Terminal Index. That is an incredible top 4% or better for 7 out of these 12 traits, including both indexes. His sons averaged \$9250 in our February 2025 production sale.

JN Balder J043M is the best 861K son we've ever raised, and we are excited to bring his genetics to the market. His phenotype is top shelf, with a superb balance of thickness and length. He had a dominate performance, weighing 728/122 at weaning and 1104/110 at yearling. He ranks in the top 3% of the breed for Milk, the top 10% for API, BW, and Fat, the top 15% for Marbling, the top 20% for CE and MCE, and the top 25% for TI.
